

PENREN this Week

March 3, 2003

Pentagon Memorial Design Selection Press Conference Today at 1300

The winning design will be announced in a press conference today in the OSD Press Briefing Room. Please visit the memorial web site at <http://memorial.pentagon.mil> following the press conference for more information.

Pentagon Secure Bypass/ Route 110 Project

Snow removal activities are completed and construction activities have resumed.

The PAC will replace the existing 58-year-old Pentagon Athletic Facility with a 127,000-square-foot facility that meets membership fitness and readiness needs.

A worker core drilling columns.

A worker setting rebar prior to concrete pour.

Stripping of the Mall Terrace in preparation for waterproofing is ongoing and installation of pile caps continues.

Wedges 2-5 Renovation

Wedges 2 through 5 encompass the remaining 4.5 million square feet of Pentagon space to be renovated by 2010.

PLEASE NOTE: The pedestrian tunnel located on the 2nd Floor, A ring, between corridors 5 and 6, will be moved to the 3rd floor on March 15th.

Glass curtain wall installation at Corridor 4.5 pedestrian bridge (pictured above) is approximately 50% installed.

Terrazzo placement at Corridor 5, 5th floor. The terrazzo design includes a multi-colored terrazzo star placed at the ring & radial corridor intersections. These design features will help Pentagon personnel and visitors with way-finding.

Blast window installation is moving along in Wedge 2 and elevator pit construction has begun on the D-ring.
